Learning to Love and Serve the Inner-City Poor

*Changing lives.  
Transforming communities.*

Dear Urban Ministry Team Participant:

Welcome to the inner city!

Thank you for your willingness to walk with us as we seek the Lord for spiritual and economic change in our community. Your team's efforts in sweat evangelism, work projects, mentoring and prayers allow us to multiply our efforts and impact low-income communities of need. Our prayer is that the Lord will use you to live out the gospel through the ministry of word and deed. We do not simply want to be a ministry that is known for *what* we do but *why* we do what we do.

During your week with us, you will be spending time at Hope for the Inner City's main campus, New City Fellowship church and the surrounding neighborhoods.

Please be prayerful and work hard to prepare for your time with us. Our staff will be praying and preparing for your visit. If you have any questions, feel free to email or call us anytime, or you can visit our special Web page at [Hope4theInnercity.org/umt](http://Hope4theInnercity.org/umt), where this entire packet is downloadable.

Blessings to you,

**Paul A. Green**

## About Hope for the Inner City

Hope for the Inner City is a merger of two Christian faith-based organizations with a combined 49-year history of helping people trapped in poverty and despair.

For 37 years Inner City Ministries reached the poor through mercy and youth programs. For 11 years Hope for Chattanooga moved many of these same people from dependency to self-sufficiency. Both nonprofits, separately launched by New City Fellowship pastor Randy Nabors, merged in 2007. Today, Hope for the Inner City partners with churches and other organizations to bring hope and renewal to Chattanooga's inner city.

Recognizing that the challenges of poverty are often deep and intertwined, Hope takes a balanced, Christ-centered approach to mercy ministry and community development: meeting the poor's immediate physical needs (housing, food, medical aid) while also addressing their long-term social development (financial counseling, career coaching, and homeownership programs).
